

The Clinton Church of England School Newsletter | 7th May 2021

Dear Parents and Carers,

Another week has flown by, there has been some wonderful learning taking place in every classroom and as always it is a pleasure to speak with all pupils about what they are achieving.

Academic:

The bespoke workbooks have been a real hit this week with children taking such pride in them, even the reception children wanted a set when we had not planned to introduce them to that year group! They have been working hard in them and enjoying showing them to Mrs. Hannam who created the books for Clinton, Dolton, and Clawton Schools. These books will start coming home next week for you to look at and write in the parents comment box. Please ensure they are returned the following day as the children write in them for every lesson.

Character Education:

Wild tribe continues to be a success with children becoming inspiring skill builders making log sliced necklaces and whittling sticks to toast marshmallows. Check out our twitter page for photos! The whole school became inspiring dancers last week when creating collaborative performances in a whole school PE lesson by Mrs. Anstey. We have also booked whole school drumming workshop using drums made of recycled materials as this will enable our pupils to consider how we can use old objects to serve us in different ways under our service theme. Surf lifesaving has also been booked for our key stage 2 pupils after May half term, more information to follow.

Innovation:

When considering new ideas to move forward post COVID. I would like to begin to get the parental community working alongside the school on the development of C360 and the four cornerstones of our curriculum. During the parent coffee morning on 19th May I will be discussing this further. Next week I will send more information out for the coffee morning – if I cannot do it on site due to COVID

Character virtue focus:

Our focus virtue is courage. How to those that service our coasts use courage?

regulations it will be run through zoom. I am looking forward to meeting more of you.

Community:

This week Swallows received letters from their peers at Clawton Primary. It was wonderful to read them and get to know the children more – one day we hope to all come together in a collaborative learning event and put faces to letters! Next week our chrome books will be arriving and one of the first things on the agenda is to write a letter back and share via google drive!

Kind regards,

A handwritten signature in black ink, appearing to read 'R Sharpe'.

Mrs. RM Sharpe.
