

## The Clinton Church of England School Newsletter |

Dear Parents and Carers,

Welcome back to the new school year!

We hope you have all enjoyed the summer holidays and are feeling refreshed and ready for the new term.

Firstly we would like to inform you of some changes to preschool. We are currently only providing sessions on a Tuesday and Thursday. If you wish for your child to attend a Wednesday session we can add them to our waiting list. When we have children on the list we will start being able to open for more sessions. If you would like your child to be added to the list please talk to the preschool team or admin.

We are also very excited that Little Otters have moved over the summer! We are in our own room (the old Community room). We have spent time over the summer sorting our lovely new space ready for the children's return. We are looking forward to seeing the children explore our new welcoming and more spacious environment.

Can we please ask parents to ensure children come in with spare clothes as our spare supply is very low. Donations of spare outgrown clothes are very welcome.

Please ensure your child also comes into session with

- Nappies, wipes and a nappy sack (If your child requires these)
- Drinks bottle
- Fruit snack
- Packed lunch or ensure you have booked your school lunch

**School Dinners:**

Please remember to book dinners online for the coming week. There is a new 3-week menu on the system.

**Inclusion Team contact details:**

James Creek and Sonia Grant:  
01237 879382

As an addition to our weekly plan we have created 'Thunder boots Thursdays' which will give the children a fantastic opportunity to learn in our outside environment. Please see attached the letter that will give you all the information you will need and our EY C360 map which gives you an outline for our learning this term.

### **Seesaw**

For a few years we have been documenting your child's learning journey using 'Tapestry' however this year we will be moving to use an exciting app called Seesaw. It is very easy to set up and use and will be used by the whole school so you will become familiar with it as your child grows and moves through each class. Please look out for an email from Mrs Bolton in the coming days to set this up for your child so that you can engage in their learning journey, celebrate their success and also add your own observations and WOW moments from home.

Finally we would like to say we are very excited to see you all and look forward to welcoming you all back.

Kind regards,  
Preschool team

Laura - Preschool Lead  
Lindsey - Preschool Practitioner  
Mrs Bolton - Early Years Lead
