'Together we nurture, love and learn whilst aspiring for excellence.'

Friday 9th October, 2020

Dear Parents/ Carers,

Another week has whizzed past in school with children continuing to demonstrate some wonderful learning in class. In Tigers I have seen some wonderful self-portraits and information highlighting what each pupil thinks is special about, it really does lift everyone's mood when they enter the classroom. Considering what makes us special and unique is really key in developing self-belief and confidence and ties superbly into our recovery curriculum and theme 'Stewardship of ourselves,'

Lions class have been working exceptionally hard with their maths, their working board was full of challenges and problem solving that had taken place during the week and Mrs. McAdams has informed me that there has been some interested discussions as a result of it. Please remember to visit our twitter feed to catch up on what has been happening through the week - @Clinton_Dolton

There are now only 2 weeks left of this half term and as a school we are beginning to consider harvest. Unfortunately, this year we will not be able to have a festival in church or on site so would like to invite parents to a virtual worship on Thursday 22nd October at 2.30pm. This will be done via zoom and a link will be sent to you all nearer the time along with an order of service. It will be lovely to see as many of you as possible in attendance, please contact us if you need help logging on and setting up zoom.

Finally, just a reminder that on Friday 23rd October the MAT will be having an inset day.
Have a wonderful weekend,

Kind regards,

Mrs. Rachael Sharpe
