

This week in Dolton...

Little Otters have been going on journeys with their feet, through tunnels and in boxes. Next week they will be going to the jungle!

Our virtue this week has been reflection.

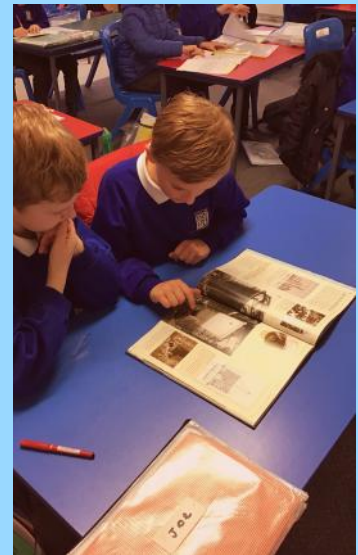

Tigers have:

- Looked at past tense and description in the book *Crash, Bang Christmas*.
- Looked at multiplication and division.
- Painted pebbles for Remembrance.

Next week:

- They will continue to work on descriptive writing.
- Look at division in more depth.
- Complete paintings in the style of Nixawaka Yawanawa.

Lions have worked on:

- two step word problems.
- persuasive techniques in introductions.
- pop up book devices in DT.

Next week they will:

- work on multiplication and division.
- conjunctions within writing.
- finish their pop up books.
