

## Dolton Church of England School Newsletter | 14<sup>th</sup> May 2021

Dear Parents and Carers,

Another productive week has whizzed by in school with yet more developments towards our school improvement plan and ensuring excellence as standard. The children are enthused and excited by the learning taking place and the environmental changes that reflect our C360. This week we have had a board of director, Mrs. Gill Marlow, visit school alongside our chair of the LSC, Mrs. Sally Lawson – both remarked on the incredible displays and learning environment for our children.

### **Innovation:**

At the end of last week, Mrs. McAdams met with Mr. Bladon, the Head Teacher at Bampton, to plan some exciting, innovative maths lessons where classes across the MAT collaborate together in live lessons using chrome books! We hope that we will be able to trial this after May half term and then feed back to the rest of Alumnis Trust as to how it has gone and what was learnt from the experience.

### **Community:**

Next Wednesday I have booked in a coffee morning for parents. I had wanted this to be face to face, however, given that we are still only allowed to meet up to 6 people inside, I will be holding this meeting online. I have put the time back to 9.30am to enable parents to drop off and then log on. The agenda for the session will be to look at the 4 cornerstones of our curriculum and consider how we can ensure community engagement for all – it would also be nice to plan some events together for the future. To attend this session,

**Dolton C of E School.**
