

## Dolton Church of England School Newsletter | 18th June 2021

Dear Parents/ Carers,

Another week has passed and with it an announcement from Boris Johnson that the easing of restrictions has been postponed until 19<sup>th</sup> July. Sadly, this has meant we have had to cancel and postpone some events over the next 5 weeks, please see below.

**The aquarium trip** has been cancelled.

**Sports day** will now be held on Tuesday 20<sup>th</sup> July, providing restrictions ease on the 19<sup>th</sup> July.

**Year 6 camp out** will now happen at Clinton rather than Bampton

**Year 6 Queens Theatre performance** has been cancelled, however there will still be a year 6 leavers service within school on Friday 23<sup>rd</sup> July – more information will follow.

Please see below the exciting learning that has taken place in school this week:

**This weeks C360 for Dolton:**

**Academic:** In Tigers Class we have been concentrating on learning co-ordinates and applying them to map reading!

Lions have been reflecting and translating 2d shapes on quadrants.

**Community:** In Tigers Class we have talked about how Jacques Cousteau was such an inspirational member of our global community. He raised awareness of ocean pollution and fought to stop it.

Lions have been reflecting and translating 2d shapes on quadrants.

**Innovation:** Key Stage 1 and 2 in Tigers Class have applied their place value skills in maths and used them to solve problems.

Lions have used our chromebooks to meet Bampton virtually where we listened to a presentation about Bampton by the children in Stags Class and we were able to chat and ask questions.

**Character:** Tigers Class have considered what character virtues Jacques Cousteau showed when he invented the aqualung! What do you think?

Our focus virtue this week is:

Service

Key dates:

Pupils school reports out 19<sup>th</sup> July

Year 6 camp out 8<sup>th</sup> – 9<sup>th</sup> July

Inset day 16<sup>th</sup> July

Sports Day Tues 20<sup>th</sup> July

Year 6 Leavers Service Friday

23<sup>rd</sup> July

Page 2

Lions have considered what kind of character traits we would need to try and change attitudes to the use and manufacture of plastic, which lead to us setting up a box in the hall to measure the amount of plastic we use in packed lunches in one week.

As always, you have my best intentions,

*R Sharpe*

Mrs. RM Sharpe.
